Product Guidelines

Maximum service life of 5 years (shell) & 1 year (suspension) from the time of first use
Never alter or modify the shell or suspension system
Inspect the hard hat each time before use and replace if there is ANY sign of damage
Replace hard hat after it receives a considerable impact
Accessories such as liners have not been tested to the requirement of this standard
Clean only with mild soap and lukewarm water
Store hard hat in a clean, dry place that is out of direct sunlight
Do not use paints, chemicals, adhesives, gasoline or similar substances on the hard hat
Labels are acceptable if they do not affect a hard hat's protective rating or make it difficult to find damage
